DEALS OF THE YEAR AWARDS 2017

The Perfect 10

DEADLINE FOR SUBMISSIONS – 5 JANUARY 2018

Overview

TXF is now open to receive Deal of the Year submissions for 2017! Deal submissions can be submitted by any party involved in the transaction – from arrangers, lenders, borrowers, exporters, importers, advisers, investors, lawyers and other service providers in the market. We are looking for the most innovative, market influencing transactions within trade, commodity, ECA/DFI-backed and project financing. Deals must have been signed within calendar year 2017.

The trade, export and project finance industries are special - they make a true contribution to the real economy. Deals in this market create wealth, aide development, create jobs and much more – they should all be celebrated.

So to receive a Perfect 10 award is an incredible achievement.

If you and your team have contributed to something special this year, please do nominate your deals – your successes should be shouted from the rooftops...

Please submit your deal or selected deal books for consideration to us via email (see below). Files can be in word, pdf, excel or powerpoint. If the deal has already been submitted to TXF Data via tagmydeals, please let us know that, but also provide some of the additional deal detail listed below (in particular why the deal is so special) for the Deals of the Year submission process. You do not need to attribute each nomination to a specific category.

DEADLINE FOR SUBMISSIONS - 5 JANUARY 2018

In the first instance, please send us the following basic details:

- Name of the deal being nominated
- Details of all arrangers and their roles

And good luck!
