For immediate release.

**Paolo Bozzolo joins Portland**

Project and structured finance advisor Portland Advisers has announced that Paolo Bozzolo has joined its growing team of experienced professionals as it expands its global offering.

Paolo has 29 years' experience in project finance with a focus on power (renewable and conventional including wind, solar, biomass, hydro and gas) and infrastructure (public-private-partnerships mainly related to hospitals, airports, waste-to-energy projects and motorways). His main geographic focus has been Central and Eastern Europe, Italy and Austria.

Prior to Portland, Paolo held senior positions at Crédit Lyonnais in New York and Paris and at UniCredit in Rome/Milan and Vienna.

Paolo is based in Vienna.
