**THREE VIRTUAL EDITIONS LATER TXF APAC MAKES ITS FIRST IN-PERSON RETURN, IN SINGAPORE! JOIN US FOR AN INTIMATE EVENT CURATED SPECIALLY FOR THE TRADE AND COMMODITY FINANCE MARKET.**

Our hiatus from TXF APAC in person finally ends this September, and we are so looking forward to returning to Singapore! After three long years away, we are back and offering you the chance to connect face-to-face again with your peers, clients and potential business partners! Join trade and commodity finance dealmakers from across the Asia-Pacific region for a day of discussions, this is where deals happen!

With a sharp focus on the Asian commodities finance market, expect to meet a range of traders focused on the region. Don't miss out on the chance to gather crucial business intelligence insights and updates. Expect a mixture of expert panel discussions, unparalleled networking and interactive workshops.

**Put your team in a prime position by being the most informed on the current state of the trade and commodity finance industry in the Asia-Pacific region, as we cover all of the latest trends and concerns:**

- The impact of the Russia/Ukraine conflict
  - Sustainability in commodities finance - creating a standard, avoiding green-washing
  - High demand for alternative financing
  - Energy market volatility
  - The digitalisation of commodities finance and the role of data
  - Insuring commodities finance
