ECA FINANCE TRAINING

Our ECA Finance course has been running for more than 5 years and has become known in the industry as the go to place to learn about the often complex world of ECA Financing. Delivering a core understanding of the fundamentals of ECA Finance, along with more advanced modules, we offer a two day intensive programme complete with real life case studies, practical workshops and vital updates on different agencies.

What it's all about

We make sure that our training courses are interactive and practical. That means you leave us with techniques and knowledge that make you more effective at what you do. Whether that's applying for ECA financing, managing relationships with agencies, or advising your clients, we've got you covered.

Who should attend these courses and why

Get ahead of your department:

- Learn (or refresh your knowledge of) ECA rules, policies, and standards
- Understand the complexities of eligibility analysis and calculation across ECAs via practical exercises, case studies, and a team workshop
- Discover how to maximize financing value while helping companies and projects manage cash flow
- Disbursing ECA loans is different agency to agency: learn what information is needed in procurement documents and agency certifications in order to make disbursements successful, accurate, and timely
- See how ECAs stack up against one another around the world
- Uncover how to bring the best, most competitive ECA offering to your transaction by understanding the intricacies of multi-sourced ECA finance

FINANCIAL INSTITUTIONS AND ECAs
