**Agenda:**

**9:00 AM Opening keynote**

*An introduction to Argentina’s energy and infrastructure environment. The current and upcoming investment opportunities in Argentina are presented via a discussion regarding the PPP and RenovAr programs, as well as energy and telecommunications projects.*

**9:30 AM Argentine investment landscape**

*The Macri presidency has made important policy changes making Argentina a more lucrative investment location. How is Argentina becoming the forerunner for energy and infrastructure opportunities? How does the country compare to others in the region?*

**10:30 AM Argentina: Funding a deal**

*We analyse a typical deal from the PPP program. What are the various infrastructure and energy projects to be financed? What are the sources of equity and how are ECAs and DFIs prepared to support these sorts of projects?*

**11:00 AM Coffee/tea and networking break**

**11:45 AM RenovAR & sustainable development – Roundtable**

*We dive into the RenovAr project defining its purpose and how it is helping Argentina reach its climate change commitments. How is the successful RenovAr program paving the way for other renewable projects in the country? How can it incentivise investors in the growing renewables sector by learning through its challenges?*

**Speaker:** TBC, **Ministry of Energy and Mines**

**12:45 PM Networking lunch**

**14:45 PM PPP Program – Roundtable**

*The purpose of this roundtable is to address how Argentina can maximise its PPP Program by presenting current and upcoming projects. Participants will have the chance to discuss how they can realise the opportunities available as well as what they require from other relevant parties.*

**Speakers:** Jose Luis Morea, PPP Undersecretary, **Ministry of Finance**  
Maurizio Bezzeccheri, Argentina Country Manager, **ENEL**
