EXPORT FINANCE 2022

TXF France is back this December! Join us at this intimate event for an evening of opportunities. Discover new sectors, regions and ideas for ECAs, banks, exporters and service providers.

JOIN FRANCE'S INDUSTRY LEADING EVENT THIS DECEMBER!

Meet with the best deal-makers in France this December, as we take over the Bpifrance HQ for one day only! Prepare for the year ahead with updates on the latest products and initiatives coming from France's ECA, build strong connections, and get ahead of the competition.

In collaboration with Bpifrance this local language event will allow you to be the most informed on the current state of the trade finance industry in Europe. Come and meet with all of the key players in French export finance at this local language event, solely focused on the French export finance market. Expect high level keynotes, panels and intimate workshop sessions.

WE'LL BE COVERING THE LATEST TRENDS AND CONCERNS:

- WHAT CHALLENGES DO EXPORTERS FACE AND HOW BANKS AND ECAS BEST SUPPORT THEM?
- INSURING FRENCH EXPORTERS
- HOW HAS THE RUSSIA/UKRAINE CONFLICT IMPACTED FRENCH EXPORT FINANCE?
