TXF EXPORT FINANCE Virtual WORLD FAIR 2021

DEAL-MAKING
WILL BE AT
THE HEART OF
THIS EVENT

Welcome back to the second edition of the ultimate NETWORKING-FIRST Export Finance Virtual World Fair 2021, join us this year for a 3-day global export finance extravaganza.

As the world recovers from the pandemic, we bring the market together to discuss leveraging the tools of export finance to rebuild the global economy. The TXF World Fair 2021, June, 8-10, welcomes banking, agency and corporate CEOs, government ministries and industry specialists to strategize how to spur growth in both sustainable and traditional export credit sectors.

You will benefit from access to 2500+ borrowers, SOEs, agencies and FIs, though our networking messenger app and tailored forums. As well as gain the latest insight on financing climate and social projects, energy transition, Paris Agreement compliant portfolios, legislation and OECD consensus, reviving cruise and aviation sectors, the future of oil and gas, evolving export credit business models, world trade under Biden and what to expect from US EXIM.

Join us via our state-of-the-art in-house virtual platform, giving you the chance to make real connections, and ultimately deal opportunities. Reserve your ticket now to be part of the only export finance-athon of its kind, for all the deal-making, LinkedIn swapping, knowledge sharing you can handle!

A KEY EVENT TO REUNITE THE GLOBAL EXPORT FINANCE COMMUNITY

#TXFWORLDFAIR2021

AGENDA

DAY 1 - TUESDAY 8TH JUNE

8.00 BST (9:00 CEST)	NETWORKING BREAKFAST & COFFEE
9.00 BST (10:00 CEST)	TXF OPENING VIDEO: A MURDER MYSTERY: WHO ARE THE EXPORT FINANCE SUSPECTS? Dan Sheriff, CEO, TXF
9.15 BST (10:15 CEST)	KEYNOTE: THE ROLE OF MANUFACTURERS IN AIDING THE ENERGY TRANSITION Maria Ferraro, CFO, Siemens Energy Moderator: Katharine Morton, Head of Trade, Treasury & Risk, TXF
9.35 BST (10:35 CEST)	PANEL: ECA CEO INSIGHT INTO THE LATEST POLICES IN A RAPIDLY EVOLVING LANDSCAPE FOR EXPORT CREDIT We gather leaders of the largest global ECAs to gain executive insight into key issues including: <ul style="list-style-type: none"> • Ongoing effect of the pandemic and role of ECAs in the global recovery • ECA direct lending; collaboration with DFIs and blended finance, capacity, coverage and volumes • Climate and sustainable policy updates, alignment with Paris Agreement and UN SGDS • Flexibility, transparency and level playing field between OECD and non-OECD ECAs Anna Karin Jatko, Director General, EKN Mandisi Nkuhlu, Chief Operations Officer, ECIC Edna Schoene, Head of ECA-business, Euler Hermes Fernando Salazar Palma, Chairman & CEO, CESCE Nabil Jijakli, Group Deputy CEO, Credendo – Export Credit Agency Co-moderator: Yasser Henda, Global Head of Export Finance, BNP Paribas Co-moderator: Dominik Kloiber, Co-Founder & Director, TXF
10.20 BST (11:20 CEST)	PANEL: THE DEBATE CONTINUES: MODERNISATION OF THE OECD CONSENSUS With ECAs allowing increased flexibility on content, a call for similar action on premiums, increasingly in line with the sustainable merit or positive impact of a project, and a relaxing of down payments, we catch up on the latest developments of the modernisation of the OECD consensus Jens Oliver Haupt, Chief Sales Officer, Americas, SMS Group Francesca Beomonte, Global Head of Structured, Trade & Export Finance, UniCredit Paul Mudde, Consultant, Sustainable Finance & Insurance Moderator: Jonathan Bell, Editor-in-chief, TXF
10.50 BST (11:50 CEST)	PANEL: ECA INDUSTRY OUTLOOK AND TRENDS - BREAD & BUTTER VS NEW KIDS ON THE BLOCK The pandemic has seen ECA leverage their tools to aid in the recovery effort, including Covid bailouts and support for SMEs, seeing many new clients gained as a result. We ask how can the community maintain new business attracted by crisis? Will there be a new generation of ECA users from the Covid bailout loans? Alfonso Olivas, Head of Data & Analytics, TXF Intelligence Tom Parkman, PhD, Head of Research, TXF Intelligence
11.15 BST (12:15 CEST)	BRIEFING: ICC EXPORT FINANCE SUSTAINABILITY WHITE PAPER An overview of this industry first and seminal White Paper initiative. 12.00 BST (13:00 CEST)	PANEL: ALIGNING ECA PORTFOLIOS WITH THE PARIS AGREEMENT & UN SDGS With renewed effort from governments to support climate and social projects, ECAs are beginning to align their portfolios in unison. Will we see a shift in mandate from supporting industry, to supporting industry as it relates to these projects? And as new technologies and green supply chains emerge can the two-progress hand in hand as dual mandate? Arjen Walbroek, Senior Lead Sustainability, Atradius Dutch State Business Karin Wessman, Head Sustainability, EKN Berit Lindholdt-Lauridsen, Senior Operations Officer, Climate Business Department, IFC Richard Simon-Lewis, Head of Global Origination, Client Coverage, Marketing & Communications, UK Export Finance Moderator: Max Thompson, Editor, TXF

KEYNOTE PANEL: GREEN NEW DEAL AND GOVERNMENT CLIMATE STRATEGY

With an ambitious European Green Deal designed to make the EU economy sustainable and meet our 2030 climate and energy targets, combined with similar movements across the globe to mobilize public and private capital to realize the Paris Agreement and UN SDGs. We examine government plans, project pipelines and how we can leverage policy and investment tools to plug the funding gap required?

Maria Paz Ramos, General Director for International Trade and Investments of the Ministry Industry, Trade and Tourism, **Spain**
Bastian Kern, Chairman of the Interministerial Committee for Export Credit Guarantees, **German Federal Ministry for Economic Affairs and Energy**
Gabriel Cumenge, Deputy Secretary, **French Ministry of Finance (DG Trésor)**
Moderator: Hesham Zakai, Managing Director, **TXF**

9.30 BST
(10:30 CEST)

PANEL: THE CHANGING FACE OF BANKING - THE GLOBAL HEADS DEBATE

Our panel of global heads of export finance are tasked with pertinent question relating to our industry:

- Project pipeline and predictions of where will volumes come from? When will hard hit industries such as cruise return?
- Assessment of sustainability as it relates to the entire portfolio, including power, oil and gas. Speed of change at banks and resulting internal changes to team structure and incentives for deal teams
- CIRR rates and availability of bank funding, effect of interest rates and inflation on liquidity, changing nature of funding mix and role of banks in the face of ECA direct lending

Hacina Py, Global Head of Export Finance and Impact Finance Solutions, **Société Générale**
Michael Maurer, Managing Director, Global Head Trade & Export Finance, **LBBW**
André Gazal, Global Head of Export Finance, **Credit Agricole CIB**

10.45 BST
(11:45 CEST)

PANEL: THE 10-YEAR ECA OUTLOOK ON OIL, GAS & PETROCHEMICALS

With varying accounts on the numbers of years left for ECA support for fossil fuel projects what cover will be available and how will this change in the next 5-10 years? What criteria will need to be met? How will new technologies including carbon capture ensure the survival of petrochemical industries? What steps are being taken to make these more sustainable or transitional?

Gernot Bruch, Global Head of Export & Project Finance, **Linde Engineering**
Cristina Morelli, Managing Director, Head of Export Finance, **SACE**
Henri d'Ambrieres, Manager, **HDA Conseil**
Moderator: Max Thompson, Editor, **TXF**

#TXFWORLDFAIR2021

<p>10.00 BST (11:00 CEST)</p>	<p>BRIEFING: COMEBACK KID? THE PRIVATE MARKET POST PANDEMIC</p> <p>2020 saw a retrenchment of private market cover in many insurance books, especially related to activities in Africa, with heightened risk assessment leaving many emerging market buyers struggling to raise the 15% down payment typically required for ECA covered deals. 100% cover has been tipped as solution for ECA debt in emerging markets, in light of this what are the plans of the CPRI market? And what assurance can they give that they are open for business? Will banks regain confidence in their ability to distribute risk? What does this mean for purposes of capital relief?</p> <p>Sam Evans, Director, BPL Global Ian Nunn, Head of UK & Lloyd's Political Risk, AXA XL Vlad Bobko, Head of Crisis Management, AON Gary Lowe, Global Head & Managing Director, Global Credit Insurance Group, Standard Chartered Bank Moderator: Katharine Morton, Head of Trade, Treasury & Risk, TXF</p>
<p>10.30 BST (11:30 CEST)</p>	<p>PANEL: THE AGE OF COLLABORATION, BLENDED FINANCE AND DFI ECA MULTI-SOURCING</p> <p>We gather heads of DFIs, MFIs, ECAs and investors to strategise mobilising private and public funds to allow projects to flourish in emerging and developed markets. Asking how we navigate the differing mandates of ECAs and development agencies to allow for all parties to play a part in critical projects?</p> <p>Raffaele Cordiner, Senior Investment Officer - Impact and Development Finance, EIB Sarvesh Suri, Director of Operations, MIGA Ralph Gunn, Export Credit, Energy and Infrastructure Financing, Standard Bank Moderator: Sam McManus, Director, Uxolo Development Finance</p>
<p>11.00 BST (12:00 CEST)</p>	<p>CLOSING KEYNOTE: MEASURING CLIMATE IMPACT ON SUPPLY CHAINS</p> <p>Peter Boeskov, Chief Commercial Officer, EKF Louis Taylor, Chief Executive, UKEF Tom Dunn, Chairman, Orbian Moderator: Dan Sheriff, CEO, TXF</p>

ECA TRAINING

Who should attend and why?

Lenders

To gain a greater knowledge of rules & requirements, how to avoid common pitfalls and misunderstandings that can strain relationships with customers

ECAs

To understand how ECA finance impacts the EPC process from RPFs through to procurement cycle, learn how to accurately assess eligible content for your buyers, and avoid costly problems during the spend cycle that relate to misunderstanding eligibility.

Financial Institutions

Understand the approval process, compare eligibility requirements among ECAs, study how to maximise ECA financing value, and grasp the myriad tasks necessary to effectively disburse and administer these transactions.

Financial Advisors

To understand the impacts of ECA financing on credit agreements and be able to better advise clients on compliance as well as understand potential problems commonly found in ECA transactions.

Let me also praise the handling of this World Fair - TXF has made a big jump in digitalization

*Antje Rigó,
Ferrostaal Trading*

Thanks TXF - great event and a real benchmark!! Well done.

*Mark Taylor,
Managing Director,
TEMAMII Pty Ltd*

May I take this opportunity to say just how impressed I was with TXF's organisation of this event. I thought this was brilliantly organised and very well executed. Well done all the TXF team for blazing the trail into the future! We've all been impressed with the virtual conferences - both the website / virtual hosting site and the content, so congratulations. We really loved the proximity of the panel sessions when done by Zoom with pics.

*Tanya Epshteyn,
Head of Structured Finance,
Czarnikow Group*

I am continuously impressed with everything you guys do and last week was no different. I really enjoyed tuning in and stayed up way past my bedtime to take part in many of the sessions

*Abbey Sturrock,
Senior Vice President - Public
Agency Head, Asia-Pacific Political
Risk & Structured Credit,
Marsh JLT Specialty*
